It is the responsibility of the customer to ensure the suitability of any of these products within their project. Vobster Cast Stone Ltd. can accept no responsibility for the accuracy or suitability of any information produced and offer no warranty whatsoever in this respect. All units weigh approx. 2.4 tonnes/m<sup>2</sup> although this will depend on the chosen mix design - please therefore contact us for confirmation of weights. To comply with CEN regulations please notify us if you require lifting sockets to be incorporated into units at time of order.
